Model answers for Task 3 of the ESB Speaking and Listening exam. In each script, every question picks up a word from the line just before it, so a cut-up version only fits together one way.

Entry 1 script

E1 Task 3 (4 minutes): the examiner gives each learner one photo. The learner describes it, then answers questions about their opinion.

Photos: Amina's photo shows a busy fruit market with a smiling stallholder in a green hat. Hassan's photo shows a park with a woman walking a small brown dog, a big tree, and two old men on a bench.

1. **Examiner:** Now we are going to look at some photos. Amina, here is your photo. Please tell me what you can see.
2. **Amina:** In this photo I can see a market. There are a lot of people.
3. **Examiner:** What are the people doing?
4. **Amina:** They are buying fruit.
5. **Examiner:** What fruit can you see?
6. **Amina:** I can see bananas and oranges. A man is selling them.
7. **Examiner:** What is the man wearing?
8. **Amina:** He is wearing a green hat. He is smiling.
9. **Examiner:** Why is he smiling, do you think?
10. **Amina:** Because the market is very busy. He is selling a lot.
11. **Examiner:** Do you like busy places like this?
12. **Amina:** Yes, I do. I like busy markets because the food is cheap.
13. **Examiner:** Which market do you go to?
14. **Amina:** I go to Ridley Road Market. It is near my house.
15. **Examiner:** Thank you, Amina. Now, Hassan, here is your photo. What can you see?
16. **Hassan:** In this photo I can see a park. There is a woman with a dog.
17. **Examiner:** What is the woman doing?
18. **Hassan:** She is walking her dog. They are next to a big tree.
19. **Examiner:** What is under the tree?
20. **Hassan:** There is a bench under the tree. Two old men are sitting on it.
21. **Examiner:** What are the two men doing?
22. **Hassan:** They are talking. It looks very quiet.
23. **Examiner:** Do you like quiet places?
24. **Hassan:** Yes, I do. I like quiet parks because I can relax.
25. **Examiner:** Is there a quiet park near your home?
26. **Hassan:** Yes, there is. I go to London Fields on Sundays.
27. **Examiner:** Thank you, Hassan. That is the end of this task.

Entry 2 script

E2 Task 3 (4 minutes): the examiner gives each learner two photos. The learner describes them, answers follow-up questions, and compares the two photos.

Photos: Amina gets (1) a crowded train station in the morning, people looking at their phones, and (2) a quiet village road, a man on a bike, no cars. Hassan gets (1) a family of five having dinner at home, and (2) friends laughing at a birthday meal in a restaurant, with a cake on the table.

1. **Examiner:** In this task you will each describe two photos. Amina, here are your photos. Please describe the first one.
2. **Amina:** In the first photo I can see a train station. It is very crowded.
3. **Examiner:** Why is it so crowded, do you think?
4. **Amina:** I think it is the morning and people are going to work. Many people are looking at their phones.
5. **Examiner:** Why are they looking at their phones?
6. **Amina:** Maybe they are checking the train times. I think the trains are late.
7. **Examiner:** Have you ever had a problem with a late train?
8. **Amina:** Yes. Last week my train was thirty minutes late, so I was late for college.
9. **Examiner:** Oh dear. Now, Amina, please describe your second photo.
10. **Amina:** In the second photo there is a quiet road in the countryside. A man is riding a bike. There are no cars.
11. **Examiner:** Why are there no cars, do you think?
12. **Amina:** Because it is far from the city. It is a small village road.
13. **Examiner:** So, how is the village different from the station in your first photo?
14. **Amina:** The station is much busier and noisier than the village. The village is more relaxing.
15. **Examiner:** Which place do you like more, the station or the village?
16. **Amina:** I like the village more because it is more relaxing. But I live in the city because my college is here.
17. **Examiner:** Thank you, Amina. Hassan, here are your two photos. Please describe the first one.
18. **Hassan:** In the first photo a family is having dinner at home. There are five people at the table.
19. **Examiner:** What are they eating for dinner?
20. **Hassan:** They are eating rice and chicken. I think the mother cooked it.
21. **Examiner:** Do you cook for your family?
22. **Hassan:** Yes, I cook every evening. Yesterday I made lentil soup.
23. **Examiner:** That sounds delicious. Hassan, now describe your second photo.
24. **Hassan:** In the second photo some friends are eating in a restaurant. They are all laughing.
25. **Examiner:** What do you think is so funny?
26. **Hassan:** Maybe one friend is telling a joke. I think it is a birthday party, because there is a cake on the table.
27. **Examiner:** How do you celebrate birthdays?
28. **Hassan:** We usually have a big meal at home with my family.
29. **Examiner:** So, how is eating at home different from eating in a restaurant?
30. **Hassan:** Eating at home is cheaper than a restaurant. But a restaurant is easier, because you don’t cook or wash up.
31. **Examiner:** Which do you like more, eating at home or in a restaurant?
32. **Hassan:** I like eating at home more, because the food is healthier.
33. **Examiner:** Thank you, Hassan. That is the end of this task.
