E3 Reading – Week 8 Wednesday – Purpose, Main Points, Pronouns and Word Meaning – Day Plan

Wed 4 Nov 2026 · Hackney · H-80042 · ESB criteria AC1.1, AC1.3, AC1.4, AC2.1, AC3.1

Prep: cut out the secret purpose cards (Lesson 1 Activity 5 sheet, one card per pair). Nothing else beyond printing.

Moved from Monday: on Monday you did the Skills Fair practice paper, text types matching and Too Cold to Learn instead, so these two exam-prep lessons run today. Text types were covered on Monday, so Activity 1 becomes a quick recap and the time goes to main points (Activity 3).

Built on: Exam Prep Lesson 1 (morning) and Exam Prep Lesson 2 (afternoon) from the library – use those plans for the full activity steps and answer keys. This day plan adds timings, the projector lesson and the Kahoot.

Print: Handouts 1A, 1B, 1C and 2A, 2B, 2C (one each); secret purpose cards (one sheet). **Project:** Reading Detectives projector lesson (12 slides; learners can also open it on phones). **Kahoot:** import the spreadsheet at kahoot.com (Create → Add question → Import → Import spreadsheet), or type the questions below.

Morning – Exam Prep Lesson 1: Main points and purpose (about 9:40–11:45)

Time	Activity	Slides / handout
9:40 (10)	**Settle in** while the register is done: learners try the six "Why was it written?" texts on the projector (or phones). Check together; learners name the clue words.	Slide 2
9:50 (10)	**Activity 1 (recap): Why did someone write this?** Link to Monday's text types: six purpose verbs and their clue words. Leave the clue-word card up.	Slide 3
10:00 (25)	**Activity 2: Six short texts.** Pairs choose the purpose and underline the clue words.	1A
10:25 (40)	**Activity 3: What is each paragraph about?** 30-second look, then the title → first sentence → topic-in-four-words method; match headings. Extra time: pairs say the topic of each paragraph aloud before matching.	Slide 4 · 1B
11:05 (25)	**Activity 4: Exam questions** in 12 minutes, silent. In feedback, use slide 5 to name the trap: a true detail is not the main point.	1C · slide 5
11:30 (15)	**Activity 5: Write it, swap it, guess it** (shortened: two passes).	Purpose cards

Afternoon – Exam Prep Lesson 2: Pronouns, word meaning and details (about 12:30–2:30)

Time	Activity	Slides / handout
12:30 (20)	**Activity 1: Who is "he"? What is "it"?** Board examples and the three-step rule, then 2A. Quick check with the pronoun slide.	Slides 6–7 · 2A
12:50 (20)	**Activity 2: Read and track the pronouns** in "Two Wheels and a New Start"; 2C section A.	2B · 2C A
13:10 (25)	**Activity 3: Guess the word from its neighbours.** Read around the word, then the clue table and questions 5–8. Practise on the slide first.	Slides 8–9 · 2C B
13:35 (25)	**Activity 4: Find the detail when the words are different.** Matching on the slide, then 2C section C alone in ten minutes.	Slide 10 · 2C C
14:00 (15)	**Kahoot:** 10 questions on purpose, pronouns, word meaning and main points. Go over the most-missed question.	Slide 11
14:15 (15)	**Activity 5: Be the examiner** (shortened), then close with the sentence stems.	Slide 12

Differentiation: weaker learners work in pairs on 1C and 2C and get the paragraph number for each question; stronger learners do the Lesson 1 extension (change text 3 to a warning) and write a second exam question in Activity 5. **If the morning starts late:** cut Activity 5 in the morning; keep the 1C timed task.
