E1 Speaking & Listening – Short Conversations (Task 4), Task 1 Questions and a Full Exam Run-Through – Day Plan and Answers

Entry 1 Speaking & Listening · two lessons (AM classroom, PM PC room) · present simple, present continuous for "now", can, imperatives, there is/are only – no past tense

Print: Print pack – print once, double-sided (see the Hub card for the page count): this plan and answers (one copy for you), then Handout E1-12A (Exam Prep Lesson 12) × 21. Nothing for the afternoon. Nothing to cut out.

Prep: Post the learners' page link in Teams General before the PM lesson. Check the projector sound for the AM scripts. Open the two Kahoots on the teacher PC before the lessons start (last week's days-times-prices Kahoot for the PM; today's 20-question Kahoot for the AM). No WordWall list needed.

Follows on from: Last Tuesday (10 Nov): days, times and prices (Task 4) and the "My week" talk. The Kahoot and the paired talk preparation were not finished then, so they are in these lessons (AM slide 2 and PM slide 2). Exam Prep Lessons 4, 8 and 12; Task 3 describe the picture.

Times: The clock times assume a 9:45 start for the AM lesson and 12:30 for the PM lesson. Slide numbers are the dots along the top of the projector page (1 = first dot). The words in "What to say" are the same as the Teacher note on each slide (press the Teacher note button on the projector page). Learner actions are in the Learners do column.

ESB Entry 1 Speaking & Listening: Task 1 – answer personal questions; Task 2 – a short talk and two questions; Task 3 – describe a picture; Task 4 – listen to a short text and answer a yes/no and a detail question.

Differentiation: Stronger learners give full-sentence answers and change the dialogue details freely. Weaker learners use the Yes/No vote, read the dialogue from the handout and use the rescue sentence "Sorry, can you repeat that, please?"
