Task 1

Read the email and answer questions 1–7.

Hi,

How are you? Can we meet on Monday to talk about the picnic? We can meet on Vallance Road, next to New City College, at 10 a.m., because we can take the bus there on Friday.

I will bring some food with me. Can you tell your friend to bring some food too? We can talk about the picnic and invite some students from school and college.

There are nine of us so far, but I have two more friends, so I will tell them to come as well.

See you on Monday.
Thanks,
Hamza
