Entry 3 Reading: Student Services Email

Name: _____ **Date:** _____

Read the email and answer the questions.

Dear Colleagues,

I hope you are well.

As I will be visiting your Adult ESOL classes next week, I wanted to send you my short Student Services presentation in advance.

It would be really helpful if you could have the presentation open or ready on the classroom computer when I arrive. This means you won't need to log out for me to log in, and we can get started straight away without taking unnecessary time out of your lesson.

Thank you very much for your support. I look forward to seeing you and your students next week.

Kind regards,
