16	020 7946 0381
17	must
18	b
19	the section headed “Lunch”
20	a) Please come.

Q	Answer
21	a

Words repeated from the text on purpose: Q6 (advice), Q20 and Q21 (quoted phrases), Q17 (quoted rule) and Q8 (word list). These target the word or sentence itself, so paraphrase would defeat the item. Discussion point: Q14 and Q12 can be argued as scanning – worth letting learners debate.
