E1 Days, Times and Prices – Task 4 Listening and Task 2 Talk – Day Plan and Answers

Prep: Make a WordWall spinning wheel – copy and paste this list: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday. Before lesson 2: log the PCs in and post three links in Teams General – online practice, Talk Builder, Task 4 Put It in Order.

Print: Exam Prep Lesson 11 Handout E1-11A (1 side, one each). Nothing for the afternoon.

Follows on from: Task 3 describe the picture (four scenes) and the Task 2 Talk Builder up to section 7 (quick notes).

ESB Entry 1 Speaking & Listening: Task 4 – listen to a short text, answer a yes/no and a detail question; Task 2 – a short talk about a familiar topic.

Lesson 1 (AM) – Days, times and prices for Task 4

Aims: learners say and recognise the days, prices and times, and answer a yes/no and a detail question about a very short spoken text.

Slide numbers = AM projector page. Press T on the projector for the same words in tiny print.

Time	Activity · grouping	Resource	Teacher: do and say	Learners do	Answers
2 min	Today Whole class	AM slide 1 Handout E1-11A	Late start after the register. Give out Handout E1-11A, one each. Say: “In the exam you listen to a short message. The questions ask for a day, a time, a number or a price. Today we practise hearing them.”	Take a handout; look at the four examples on the slide.	–
8 min	Warm-up: my week Pairs	AM slide 2	Say: “Tell your partner about your week. Say three sentences. Use a day and a time.” Model: “On Monday I go to college at nine o'clock. On Saturday I go to the market. On Sunday I stay at home.” Partner asks: “What time do you go?” Present simple only.	Say three sentences with a day and a time; partner asks one question.	Own answers – check a day and a time in each sentence.
8 min	Days of the week Whole class, then round the room	AM slide 3 WordWall days wheel Section A	Say the days in order with a rhythm; learners repeat, then one day each round the class. Spin the WordWall wheel. Say: “What day is it? … And the day before? … The day after?” Then Section A. Click Show answer.	Repeat the days; say the day on the wheel, the day before and the day after; write the missing days.	Section A: Tuesday, Thursday, Saturday.

Time	Activity · grouping	Resource	Teacher: do and say	Learners do	Answers
7 min	Tuesday or Thursday? Whole class	AM slide 4 Audio: Tuesday or Thursday? (six sentences)	Say: “Listen. I say a sentence. Is the day Tuesday or Thursday? Tuesday – two fingers. Thursday – four fingers.” Read each sentence once (or play the audio), then say “Show me!” 1 The class is on Tuesday. 2 The doctor is on Thursday. 3 I go to the market on Thursday. 4 The bus is late on Tuesday. 5 My birthday is on Tuesday. 6 We play football on Thursday. Show answer reveals all six – read them together.	Hold up 2 or 4 fingers, then say the day together.	1 Tue · 2 Thu · 3 Thu · 4 Tue · 5 Tue · 6 Thu
5 min	Today and tomorrow Whole class, then individuals	AM slide 5 Board: today, tomorrow	Say: “What day is it today?” (point to the day on the screen) “And tomorrow?” Ask three or four learners, then the whole class.	Answer in full sentences.	Today is Tuesday. Tomorrow is Wednesday.
8 min	Prices Whole class; one learner at the board	AM slide 6	Point to each price; the class says it. Then say one price – a learner comes up and touches it. Real questions: “How much is a bus ticket? How much is a coffee?”	Say the prices; touch the price they hear.	£1 one pound · £2.50 two pounds fifty · 50p fifty p · £1.50 one pound fifty · 90p ninety p · £3.20 three pounds twenty · £10 ten pounds · 20p twenty p
10 min	How much is…? Open pairs, then closed pairs	AM slide 7	Drill across the room first: A: “How much is the bread?” B: “It's one pound fifty.” Then closed pairs with milk, apples, a bus ticket.	Ask and answer about the four items.	bread £1.50 · milk 90p · apples £2 · bus ticket £1.75
7 min	Section B: listen and write Individual	AM slide 8 Audio: Section B prices Section B	Read twice each (or play the audio): two pounds; one pound fifty; ninety p; three pounds twenty; fifty p; ten pounds.	Write the six prices in Section B.	£2 · £1.50 · 90p · £3.20 · 50p · £10
5 min	Listen for one thing Whole class	AM slide 9 Vote card (QR on slide, Yes/No)	Say: “Phones out. Scan the code. You see YES and NO.” Check every learner has the green YES and red NO buttons. Say: “I ask a question. Tap YES or NO, then hold up your phone.”	Scan the QR; open the Yes/No vote card.	–

Time	Activity · grouping	Resource	Teacher: do and say	Learners do	Answers
8 min	Text 1: a phone message Whole class, then individual	AM slide 10 Audio: Script A Section C	Read Script A twice: “Hello. This is the doctor's surgery. Your appointment is on Tuesday at ten o'clock. Thank you.” Ask: “Is the appointment on Monday?” – phones up, then say it together. Say the detail question BEFORE reading again: “What time is the appointment?”	Tap YES or NO; say the answer; write in Section C.	No, it isn't. · Ten o'clock.
8 min	Text 2: in a shop Whole class, then individual	AM slide 11 Audio: Script B Section C	Read Script B twice: A: “How much is the bread?” B: “It's one pound fifty.” A: “And the milk?” B: “The milk is ninety p.” Ask: “Is the bread two pounds?” – phones up, then say it together. Then: “How much is the milk?”	Tap YES or NO; say the answer; write in Section C.	No, it isn't. · Ninety p.
9 min	Section D: the words Individual, then pairs	AM slide 12 Audio: Scripts A and B Section D	Read both scripts a third time. Then pairs read Script B aloud as a dialogue and swap roles.	Write the missing words; read Script B in pairs.	Tuesday, ten · bread, fifty, ninety
5 min	Quick fire Round the room	AM slide 13 Phone practice QR	Ask fast, round the room: “What day is it tomorrow? How much is £4.50? What time is it now?” Show the QR for phone practice.	Answer quickly; scan the QR.	Wednesday · four pounds fifty · own answer

Differentiation: stronger learners give full-sentence answers (It's at ten o'clock) and read Script B without the gaps; weaker learners use the Yes/No vote card and point to the price or day on the board before saying it.

Lesson 2 (PM, PC room) – Exam mode, our own listening, finish the talk

Aims: learners answer Task 4 questions aloud without writing, make and understand a sentence with a day and a time, and finish and say their Task 2 talk.

Slide numbers = PM projector page. Nothing printed this afternoon.

Time	Activity · grouping	Resource	Teacher: do and say	Learners do	Answers
2 min	This afternoon Whole class	PM slide 1	PCs logged in and the three links posted in Teams General. Say: “This afternoon: exam mode, our own listening, online practice, your talk, and a Kahoot.”	Look at the plan for the afternoon.	–
3 min	Exam mode Pairs side by side, screens off	PM slide 2	Say: “In the exam you don't write. You listen. Then you say the answer.” Partner A answers the yes/no question; Partner B answers the detail question.	Sit in pairs; decide who is A and B.	–
5 min	Text 3: my English class Pairs	PM slide 3 Audio: Script C	Read Script C twice: “My English class is on Monday and Thursday. It starts at half past nine. It finishes at twelve o'clock.” A: “Is the class on Thursday?” B: “What time does it start?”	A answers yes/no to partner; B answers the detail.	Yes, it is. · It starts at half past nine.
5 min	Text 4: at the bus stop Pairs, roles swapped	PM slide 4 Audio: Script D	Read Script D twice: A: “What time is the bus?” B: “It's at four o'clock.” A: “Is it bus number five?” B: “No, it's number eight.” Now B answers yes/no and A the detail. Then four learners answer aloud in a full sentence.	Swap roles; answer aloud.	No, it isn't. · It's at four o'clock.
15 min	Our own listening Individual, pairs, whole class	PM slide 5 Teams General	Say: “Type one sentence in Teams General: My … is on … at … . True or invented.” Model: “My class is on Monday at ten o'clock.” Then: read it to your partner twice. Six learners read theirs to the class; check each one against Teams.	Type a sentence; read it twice to a partner; partner says the day and time.	Own answers – day and time must match the sentence in Teams.
15 min	Online practice Individual at PCs or phones	PM slide 6 Online practice link (Teams)	Say: “Open the link in Teams General, or scan with your phone. Four parts: days, prices, times, read and answer.” Walk round. Early finishers: Task 4 Put It in Order (link in Teams).	Do the four parts; early finishers do Put It in Order.	Answers shown on screen.

Time	Activity · grouping	Resource	Teacher: do and say	Learners do	Answers
25 min	Task 2: finish your talk Individual, then pairs	PM slide 7 Talk Builder (Teams)	Say: “Open the Talk Builder. Go to Your plan – you stopped after Quick notes.” Then: check your talk, useful phrases, then say it to your partner with the one-minute timer. Partner asks one question, as in the exam.	Finish the plan; say the talk for one minute; ask the partner one question.	Own talks.
8 min	Kahoot Whole class	PM slide 8 Kahoot – ready to play	Click Open the Kahoot, then Start (Classic). Say: “Go to kahoot.it and type the game PIN.”	Play on phones or PCs.	See Kahoot answers below.
2 min	Before you go Pairs	PM slide 9	Say: “Tell your partner one day and one time you heard today, and the first sentence of your talk.”	Tell a partner.	Own answers.

Differentiation: stronger learners answer both questions in full sentences and add a second sentence to their own listening; weaker learners answer with the short form (Yes, it is / Ten o'clock), use the model sentence on slide 5 and say the first three sentences of their talk.
