What Does It Test? Reading Exam Sort

Oct 14, 2026 · @Atin

Instructions

Read the leaflet. Then look at the 21 exam questions. Do not answer them yet. Decide **what each question tests** and write its number in the sorting grid. There are 3 questions for each skill.

The 7 skills

1. **Alphabetical order** – putting words or names in A–Z order, like a dictionary or a list.
2. **Vocabulary** – knowing what a word or phrase means.
3. **Scanning for information** – finding one fact quickly: a time, a date, a number.
4. **Understanding the whole text (gist)** – the main idea, the purpose, who the text is for.
5. **Grammar and punctuation** – verb forms, modal verbs, capital letters, full stops, question marks.
6. **Text type and layout** – what kind of text it is; headings, bullet points, sections.
7. **Reading between the lines (inference)** – working out something the text does not say directly.

Extra task: When you finish sorting, answer the questions.

The text

HACKNEY WINTER HELP DAY

Saturday 7 November, 10am – 3pm Clapton Community Hall, Lower Clapton Road, Hackney

Are you new to Hackney? Do you need help or advice this winter? Come to our free Winter Help Day. Everyone is welcome.

What can you do?

- Get a warm coat or boots for adults and children.
- Talk to a nurse about flu jabs.
- Get advice about doctors, schools and housing.
- Join a free English class for beginners at 11am.

Lunch There is hot soup and bread from 12 to 1pm. It’s free!

Please bring your own bag for clothes. Children must stay with an adult.

Last year more than 300 people came. Don’t miss it!

For more information, call Amina on 020 7946 0381 or email help@hackneywinter.org.uk

The questions
